Remember Monday the 23rd of November at RIMERN

President Allison

This week's meeting should be exciting, please try to attend and show your support!

Monday 16th of November – RSL Meeting
Visit from Paul Miegel our current DG
AND
Presentation with Billy, program coordinator, from Farm Raiser

Farm Raiser is not-for-profit veggie and flower farm in Bellfield, in the north-east of Narrm on Wurundjeri Country. Utilising organic and bio-intensive methods, we've turned what was once a patch of mown grass into a thriving farm that feeds locals and unites people over a love of food and food growing.
We are a non-profit and registered charity, sustained through the sale of our produce. As well as growing veggies, we also run education and vocational programs for students with disabilities, provide high quality food relief to locals via the Good Food Voucher program, therapeutic horticulture for victim/survivors of sexual assault, and run volunteer sessions, community events, tours, and working bees.
They also run a community GROCERY STORE which is open Fridays & Saturdays 9AM-2PM.

Farm Raiser also hosts a Coffee Café hosted Saturday mornings between 8am and 12pm for a cuppa, bickie and a chat. No charge, just for fun!

Helping hands for our friends at BANSIC

Our Friends at BANSIC run BBQs at the Preston Bunnings once a month. They use these funds to help pay for foods for the BANSIC Food Hub. They are always looking for volunteers to help. Would our members be able to help them?
Please have a look and if you are interested, please email me (aelena0309@gmail.com) with the Subject: BANSIC BBQ if you can lend a hand. Please let me know the dates and shifts you would be interested in the body of the email.
Thanks, Allison
The upcoming Bunnings dates are as follows:

November – Saturday 28th
December – Sunday 13th

For these dates there are various shifts throughout the day to suit everyone:
Morning: 8:00am – 12:15pm
Mid 10.00 – 12.00
Afternoon: 12:00pm – 4:30pm
Mid 2.00 – 4.30pm
Optional swing shift: 10:00am – 2:00pm

If you're able to **lend a hand for a shift (or even part of one)** we would be so grateful. It's always a fun day with lots of laughs, teamwork, and the smell of onions cooking!

Jordy Bradley
Executive Director

Conceptual Thinking

Scientists got together to study the effects of alcohol on a person's walk,

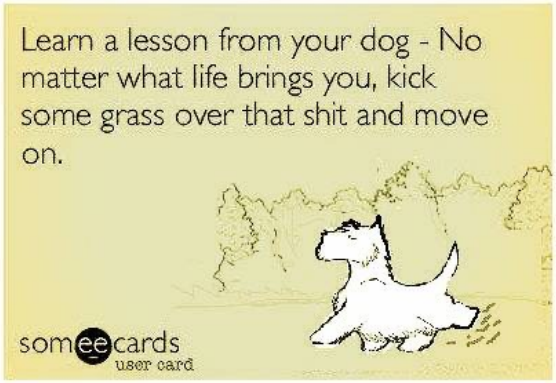

and the result was staggering.
